Search by Recipients, Funders, and Area Served.

Filters allow you to tailor your search.

The screenshot displays the Foundation Maps interface. On the left is a navigation sidebar with icons for Dashboard, Map, List, Advanced Search, Charts, Pathways, Constellations, and Saved Searches. The main area features a search bar and a 'SHOWING GRANTS BY' dropdown menu with options for Recipients (selected), Funders, and Area Served. A 'LOCATION' search bar is also present. Below the search bar, a map of Asia is shown with numerous red circular markers of varying sizes representing grant locations. A 'U.S. DEMOGRAPHICS' layer is visible at the bottom of the map. A 'MORE FILTERS' dropdown menu is open, revealing several filter categories: Population Served, Support Strategy, Organization (with Name, EIN, and Bridge ID options), Grant Amount Range (with USD min and max fields), Grant Years (with checkboxes for years 2006-2020), Transaction Type, Funder Type, and Filter by Keyword (with an input field and search icon). At the bottom of the interface, there is a 'Show Layer on Map' section with radio buttons for various demographic categories: None, White Non-Hispanic, Black, Hispanic, Asian, Native American, People of Color, Youth, Veterans, Per Capita Income, Median HH Income, Poverty, Population Estimate, Median Age Estimate, Education: High School graduate, and Immigration and Foreign Born Population. A 'CLEAR ALL X' button is located at the bottom right of this section.

You can also overlay U.S. demographics data on the map.
